Dear Mr. Pampaian:

In response to the letter from Tom Anderson on September 26, 2017 and our meeting on October 4, 2017 in Boise, please see the attached compliance review for the Little Willow Facility in Payette, Idaho off Hwy 52. The review includes a regulatory analysis of 40 CFR 60 Subpart OOOO, 40 CFR 60 Subpart JJJJ and 40 CFR 63 Subpart HH and determination of applicability of each at the time of the inspection on August 25, 2017. As a supplement to the compliance review, flowcharts have also been included for JJJJ and HH.

If you have any questions or need additional information regarding this submittal, please contact me at (281) 944-0656.

Sincerely,

Jennie Kent
Facility Engineer
Alta Mesa Services, LP
